

MADISON AMATEUR RADIO EMERGENCY SERVICES VHF NET
MADISON COUNTY, FLORIDA DATE _____ 2021 _____

PREAMBLE

Calling the Madison County Amateur Radio Emergency Services Net. Calling the Madison County
A- R -E -S Net.

This is _____, your Net Control for this session of the ARES net.

My name is _____ and I live in _____ in Madison County, Florida

This is a Directed Net—please call Net Control for any questions, comments, or communications requests.

Is there any Emergency or Priority Traffic?

The purpose of this Net is to confirm the proper operation of our communications equipment and enhance
communications capabilities in our County.

Are there any Official Announcements, Official Bulletins, or Written Traffic?

All stations are welcome to check in. After the roll call all other stations wishing to participate should give their call
sign, name, and location to the Net Control Operator. We will begin with stations in Madison and adjacent counties
followed by new stations.

(Read the Roster).

Are there any stations that I failed to call, failed to hear, or new stations? (Write new stations at the bottom of your log
sheet)

Identify the net with your call sign _____ (10 Minute ID)
